Dear Damaris:

Thank you so much for such a stimulating presentation that you delivered to the Leaders Professional Development Project for Women Administrators in Higher Education in Phoenix last week.

I certainly was inspired by your presentation and I love the tape I bought. My daughter has been equally touched by your musical messages. You were certainly an inspiration and have given me a great deal of food for thought.

Thank you again for giving of your precious time and friendship. I hope to have the opportunity to meet with you again.

Sincerely yours,

Janice Schoen Henry, Ph.D.
