TO WHOM IT MAY CONCERN:

I am writing this letter of introduction in support of Damaris Drewry. She has been a supportive friend of this church in Eugene since last summer when she re-located here from Arizona. Damaris has performed many times during our worship services on Sunday--she has been well received by the congregation.

To further her music career, Damaris has recently moved to Seattle. My motivation in writing this letter is to encourage other Unitarian Universalist churches, as well as other groups, to recognize this woman's talent. Damaris demonstrates a keen sensitivity to the growth potential of the whole person. While living in Eugene, she has shared her insights regarding vibrational healing with our hospice program, as well as a holistic health support group. Damaris is an innovative thinker and performer. I hope that her skills might be useful to the creative people and institutions of Seattle.

Most sincerely,

The Reverend Sally Bryan
